The screenshot displays the IBM Cloud Account settings interface. The browser's address bar shows the URL `cloud.ibm.com/account/settings`. The left-hand navigation menu includes options like 'Account resources', 'Licenses and entitlements', and 'Account settings', with the latter being the active selection. The main content area is titled 'Account settings' and provides details for the account 'Kalaimani L's Account'. It specifies the account ID as `0e02e847c1334eb1a0eb6946b3654e61` and identifies the account type as 'Trial (Free)' with 50 days remaining. Under the 'Account upgrade' section, three paths are offered: 'Pay-As-You-Go' (which allows adding a credit card for full power), 'Subscription' (offering discounted pricing), and 'Need help?' (with a 'Contact sales' link). Action buttons for 'Add credit card' and 'Upgrade' are prominently displayed at the bottom of the upgrade section.
